

Pass Her

BeatKing

She gon throw that pussy on me
Drop it down, pop it on me
Bend that ass over, show me
Then I pass her to my homie
She gon throw that pussy on me
Drop it down, pop it on me
Bend that ass over, show me
Then I pass her to my homie

She got long hair to her back
Got tattoos on her ass
She got the wet wet, yeah the splash
She gave me head in the car, made me crash
New whip, push button on the dash
Ice on her arm and shit
My bitch get all the shit
She lick my balls and shit
H Town, nigga stay down, slab in my garage and shit
Never love them, never cuff them, just pass them to the squad and shit
Yeah I'm in blue flame, in a musane, getting head from your boo thang
I'm bout to peep it, tryna kick it like Lu Kang

She gon throw that pussy on me
Drop it down, pop it on me
Bend that ass over, show me
Then I pass her to my homie
She gon throw that pussy on me
Drop it down, pop it on me
Bend that ass over, show me
Then I pass her to my homie

She pop it like pop rocks
So we fuck in the droptop
Everybody send shots
But they get their shots blocked
I bought a Bentley on Friday

I get to chopping that pussy down, like I'm doing karoti
I want your body
You're bad, bitch

I'm glad, bitch
She got that ass from her mama
I throw the 1's and bottles
I let her carey the ball
She ain't fumble
Lil Donald!

She gon throw that pussy on me
Drop it down, pop it on me
Bend that ass over, show me
Then I pass her to my homie
She gon throw that pussy on me
Drop it down, pop it on me
Bend that ass over, show me
Then I pass her to my homie
