You hos made me like this
Why yo face so ugly

All females ain't Gold Diggers but most of them is
If you don't hit after the third date then you know what it is
Cancel that bitch Nino Brown drip, she never tryna link
Always making excuses, she's using you for something if she dont fuck quick
Gotta hang around real bitches to know how they think
Always wear a condom if you ain't tryna sink
It's African tricks hitting that pussy raw
She got them paying for it, if you nut in that bitch, you gone be paying for it
Every bad bitch got 5 niggas, 1 nigga to bring her food
1 nigga to bring her cheese, 1 nigga she really like
1 nigga to bring her weed, 1 nigga to come to her house and give her head then leave
Keep your paper it's another nigga fucking for free
Never kiss her in the mouth she out here sucking that d
Don't be thirsty in the DMs when she all in your mentions
It's 3am, she's lonely and broke and she wants some attention
Never let a bitch friendzone you, cut that bitch off if we ain't talking about fucking
We ain't talking about nothing
Houston made me savage on these hoes, I can't take none of these hoes serious
It's bitches out here stripping on their period
Hoes fucking on niggas patnas got them pulling pistols out
Texting niggas when y'all beefing when she know that piss you off
But that's cool, fuck with her home girl don't even try to smash
Just treat her nice, she gone be hella pressed hearing that bullshit every night
If she text you slow, she got options, if she text you fast then you poppin'
If she record you eating pussy, she exposing yo ass
Post the video in the group chat her friends roasting your ass
Speaking of videos, that only fans shit funny
I feel sorry for you niggas these hoes taking all your money
They steal videos from porn hub and cut the head off
Then upload it to Only Fans and charge your ass to jack off
ClubGodzilla Imma game you niggas up
Different cities in every pic niggas flying her out to fuck
Even them bitches with good jobs they be hoes too
Chris Brown slide in that DM she canceling plans with you
Yeah its hard for a regular nigga I know
If a nigga got some clout she gone go
Spit on that dick real sloppy she a freak
Aye then the next day text you that she fell asleep
Every female got that nigga she in love with
That one nigga that she grab his dick in public
She text you all night you think you finna hit that
If she stop replying, that nigga took his bitch back

Never give a female compliments
Since she was 13 every nigga that she met been tryna hit
Bitches don't like good guys they like hood niggas with bands
Treat her like a star, she gone treat you like a fan
