BeatKing

Who in the hell got that ass?  
Who finna pop that fucking pussy for this cash  
Who single and ain't got a man?  
If you got some good pussy, bitch clap your hands  
Imma stand behind her  
Look at all that ass behind her  
Trick throw that vagina

Rich fat nigga I ain't never had to trick  
She a twerk stopper, cause she do it on the dick  
Head down ass up all her homegirls with her  
Throwing ass in the room in front of a Walmart mirror  
She a pussy popping killer  
Y'all ain't fucking with her  
Beat that pussy up, Ray Rice when I'm in her  
Ain't no fucking quitter, I'm too fucking trill  
Getting head in the DJ booth standing next to Chill Mill  
Club God pull up with a motherfucking swoop  
In that fuckin' Benz and that bitch ain't got no roof  
She said she wanna be my lady, wanna be my boo  
But I can't kiss that bitch up in her mouth  
Cause she a swoop

Who in the hell got that ass?  
Who finna pop that fucking pussy for this cash  
Who single and ain't got a man?  
If you got some good pussy, bitch clap your hands  
Imma stand behind her (x6)  
Look at all that ass behind her
