BeatKing

I used to give a fuck but then I stopped
I used to entertain these hoes but then I stopped
I used to fuck with fake niggas then I stopped
I used to help a lot of losers then I stopped
Then I stopped, bitch I stopped
Now all I do get the fucking guap
Then I stopped, bitch I stopped
Now all I do get the fucking guap

Head down make that pussy pop
Your girl on my dick because of the diamonds on my watch
Club God, Club Godzilla turn your main bitch into a thot
I used to text that bitch back but then I stopped (salty)
She come up off that pussy, now she shady
She gon' throw that ass for me that's my baby
My whole squad in this bitch deep and we got paper
And we ain't trippin' of a hater cause we'll erase 'em
Pull up in a Benz with a bad bitch and hella friends
And they all talk about it
C-Sharp and D-Bando in the motherfucking Maserati
Club Godzilla looking for a girl with sloppy topsey
Kick her out my car, her pussy boring like hobby lobby
Dripping sauce like my sauce niggas
BeatKing Kong I'm a motherfucking boss nigga
Money in the vault nigga
Gettin' to the paper won't stop
Make that pussy pop like
Hold up bitch

I used to give a fuck but then I stopped
I used to entertain these hoes but then I stopped
I used to fuck with fake niggas then I stopped
I used to help a lot of losers then I stopped
Then I stopped, bitch I stopped
Now all I do get the fucking guap
Then I stopped, bitch I stopped
Now all I do get the fucking guap

I don't fuck with niggas cause they talkin'
My bitch she don't fuck with bitches cause they jealous
If that pussy is on fleek, bitch Imma sell it
Texas Hammer gang bitch I roll with felons
Don't plex with this
Your gal all in my DM messages
Your bitch she give me neck like exorcist
It's Club God but my dick evil
House in the woodlands now I live by the rich people
I did gave a fuck but I stopped
I got two sluts in the drop
If they don't fuck they kicked out
All my music slowed like I'm Watts (still bumping that screwed up)
Tell your man I'm a dog, bitch Cujo
Hittin' licks in the whip where the roof go
I was gettin' money while you hoes was drinkin' nuovo
5 years and I ain't fell off yet
In the galeria givin' ratchets heart attacks
Ain't nobody tellin' "bitch let me see it" but Pimp C
