The Beatles

- G**                    **Hmi**                    **Emi**  
1. I read the news today oh boy  
**C**                    **Emi**                    **Ami**  
about a lucky man who made the grade  
**G**                    **Hmi**                    **Emi**  
and though the news was rather sad  
**C**                    **F**                    **Emi**  
well I just had to laugh  
**C**                    **F**                    **Emi**  
I saw the photograph.
2. He blew his mind out in a car  
he didn't notice that the lights had changed  
a crowd of people stood and stared  
they'd seen his face before  
**Emi**  
nobody was really sure  
**C**  
if he was from the House of lords.
3. I saw a film today oh boy  
the English army had just won the war  
a crowd of people turned away  
but I just had to look  
**Emi**  
having read the book  
**Hmi G Emi**  
I'd love to turn you on.
4. Woke up fell out of bed  
dragged a comb across my head  
found my way downstairs and drank a cup  
and looking up I noticed I was late.  
Found my coat and grabbed my hat  
made the bus in seconds flat  
found my way upstairs and had a smoke  
somebody spoke and I went into a dream.
5. I read the news today oh boy  
four thousand holes in Blackburn Lancashire  
and though the holes were rather small  
they had to count them all  
**Emi**  
now they know how many holes it takes  
**C**  
to fill the Albert Hall  
**Hmi G E**  
I'd love to turn you on.
