

Come and Get It

The Beatles

If you want it, here it is
Come and get it
Make your mind up fast

If you want it anytime I can give it
But you better hurry 'cause it may not last

Did I hear you say that there must be a catch?
Will you walk away from a fool and his money?

If you want it, here it is
Come and get it
But you better hurry 'cause it's going fast

If you want it, here it is
Come and get it
Make your mind up fast

If you want it anytime I can give it
But you'd better hurry 'cause it may not last

Did I hear you say that there must be a catch?
Will you walk away from a fool and his money?

Sonny, if you want it, here it is
Come and get it
But you'd better hurry 'cause it's going fast
You'd better hurry 'cause it's going fast

Woo, fool that is money

Sorry, if you want it, here it is
Come and get it
But you'd better hurry 'cause it's going fast
You'd better hurry 'cause it's going fast
You'd better hurry 'cause it's going fast
