1. Sheepdog standing in the rain
   A7        Emi
   bullfrog doing it again
                                D
   some kind of happiness is measured out in miles
   Emi                                          A7
   what makes you think you're something special
   when you smile.

2. Childlike no one understands
   jack-knife in your sweaty hands
   some kind of innocence is measured out in years
   you don't know what it's like to listen to your fears.

   Ami      F        Ami
R: You can talk to me
                    Dmi
   you can talk to me
   you can talk to me
             D7               Dmi      Ami
   if you're lonely you can talk to me.

3. Big man walking in the park
   wigwam frightened of the dark
   some kind of solitude is measured out in you
   you think you know it but you haven't got a clue.

R: You can talk to me...

            A     Emi      A
*: Hey bulldog, hey bulldog...
