R. All these places had their moments
G A
With lovers and friends I still can recall
F#m B7
Some are dead and some are living

In my life I've loved them all

There is no one compares with you
And these memories lose their meaning
When I think of love as something new

For people and things that went before
I know I'll often stop and think about them
In my life I love you more

For people and things that went before
I know I'll often stop and think about them
