she showed me her room isn't it good Norwegian wood
Emi **A**
she asked me to stay and she told me to sit anywhere

so I looked around and I noticed there wasn't a chair.

2. I sat on a rug biding my time drinking her wine

we talked until two and then she said: "It's time for bed"
Emi **A**
she told me she worked in the morning and started to laugh
Emi **F#mi H**
I told her I didn't and crawled off to sleep in the bath.

*: And when I awoke I was alone this bird had flown

so I lit a fire isn't it good Norwegian wood?
