

# Where Have You Been All My Life

The Beatles

Since we kiss I never knew the thrills I could be tasted  
Since we kiss I never knew the years that I am wasting  
But now I know I was waiting  
For you to come back, I was waiting girl, won't you please tell  
me why that's took a long to begin  
Darling where have you been all my life

Oh don't you know that until we touch I never knew the touch wa  
s of revealing  
Until we touch I never knew my heart was really beating  
But now I know I was waiting  
For you to come back, I was waiting girl, won't you please tell  
me why that's took a long to begin  
Darling where have you been all my life

Oh where you've been, where you've been  
[Solo]  
Now don't you know I was waiting  
For you to come back, I was waiting girl, won't you please tell  
me why that's took a long to begin  
Darling where have you been all my life

Where have you been, where you've been, where you've been, when  
I was feeling blue  
Where have you been, where you've been, where you've been, when  
I was needing you  
Oh where you've been, where you've been  
Where you've been  
Darling where have you been all my life
