

Within You Without You

The Beatles

1. We were talking about the space between us all
And the people who hide themselves
behind a wall of illusion
Never glimpse the truth
then it's far too late
when they pass away.
2. We were talking about the love
we all could share when we find it
To try our best to hold it there with our love
With our love we could save the world
if they only knew.
3. Try to realise it's all within yourself
No one else can make you change
And to see you're really only very small,
And life flows within you and without you.
4. We were talking about the love
that's gone so cold and the people,
Who gain the world and lose their soul
They don't know they can't see
are you one of them?
5. When you've seen beyond yourself
then you may find, peace of mind,
Is waiting there
And the time will come when you see
we're all one, and life flows on
within you and without you.
