

Detractors

Beatsteaks

Fuck the detractors
Light subtractors
They never see who you are, yeah, yeah
What are you waiting for?
They can't touch us
And they can't hold you back no more
Let's go 'n explore

I do believe
We give 'n we receive
Dreammaker dream
And let it flow downstream
And I'm ready
Don't you forsake

Who you wanna be?
Who you wanna be?
Whohoo

Fuck the detractors
Those would-be actors
No reciprocity
It's just jealousy
Don't think you're losing me
Be all that you want to be
Uptown, away you'd go
What are you waiting for?

I still believe
We give 'n we receive
Dreammaker dream
And let it flow downstream
And I'm ready
Don't you forsake

Who you wanna be?
Uhh-uhh-uhh
I know you will see (ahh-ahh-ahh)

It's all there, it's yours for the taking
It's all there, if you dare
It's all there, it's yours for the taking
It's all there, if you dare

I still believe
We give 'n we receive
Dreammaker dream
And let it flow downstream
And I'm ready
Don't you forsake

Who you wanna be?
Who you wanna be?
Whohoo

It's all there, it's yours for the taking
It's all there
