

Excited

Beatsteaks

I'd sell myself to get excited.
There ain't no car I can't get started.
And if you want to be a part of it you can share my dream and get lost.
There ain't no way to stay a smart boy.
If you crack up who's gonna care, boy?
What friends are for now who can tell, boy?
So live it up before you drop, boy! So what?
