

Glory Box

Beatsteaks

I'm so tired of playing
Playing with this bow and arrow
Gonna give my heart away
Leave it to the other girls to play
For I've been a temptress too long
Mh, just

Give me a reason to love you (To love you, to love you)
Give me a reason to be

I just wanna be a woman

From this time unchained
We're all lookin' at a different picture
Through this new frame of mind
A thousand flowers could bloom
And move over and give us some room, yeah

Give me a reason to love you
Give me a reason to be

I wanna (I wanna)
I just wanna be a woman
I only wanna be

So don't you stop being a man
Just take a little look
From outside when you can
Sow a little tenderness
No matter if you cry

For this is the beginning of forever and ever
It's time to move over
'Cause it's all I wanna be

I'm so tired of playing
Playing with this broken arrow
Gonna give my heart away
Leave it to the other girls to play
For I've been a temptress too long (Too long, too long)

Give me a reason to love you
Give me a reason to be
