

I Do

Beatsteaks

Let's get married, let me be your man
Said the cat to the canary
Now will you let me in?
From rusty cages
Away, I'll carry you
Sooner or later
I'll make you say "I do"

Do, do, do, do, do, do, do
Do, do, do, do, do, do, do

Let's get married
We'll go all the way
Said the secretary
You rule and I obey
'N don't you worry
'Cause I can hold a tune
Don't you worry
I'll make you say "I do"

Do, do, do, do, do, do, do
Do, do, do, do, do, do, do

Love gets
Better
Grow old (yeah)
To-ge-ther
White dress, black shoes (aye)
Just say (ah) "I, I do"
I do, I do, I do, I do, yeah
Hallelujah!
Hallelujah! (oh oh! yeah!)

Let's get married
Let me be your man
An old school fable
We'll make it true again
Sooner or later (yeah)
I'll make you say "I do"
I'll make you say "I do"
I'll make you say "I do"
Just let me be your man
Let me be your man
Let me be your man
