

# She's Lost Control

Beatsteaks

Confusion in her eyes that says it all  
She's lost control  
And she's clinging to the nearest passer by  
She's lost control  
And she gave away the secrets of her past  
And said I've lost control again  
And a voice that told her when and where to act  
She said I've lost control again

She's lost control again

And she turned around and took me by the hand and said  
I've lost control again  
And how I'll never know just why or understand  
She said I've lost control again  
And she screamed out kicking on her side and said  
I've lost control again  
And seized up on the floor, I thought she'd die  
She said I've lost control again

She's lost control again  
She's lost control  
She's lost control again  
She's lost control  
She's lost control again  
She's lost control  
She's lost control again  
She's lost control  
She's lost control again  
She's lost control

Well I had to 'phone her friend to state my case  
And say she's lost control again  
And she showed up all the errors and mistakes  
And said I've lost control again  
But she expressed herself in many different ways  
Until she lost control again  
And walked upon the edge of no escape  
And laughed I've lost control

She's lost control again  
She's lost control  
She's lost control again  
She's lost control  
She's lost control again  
She's lost control  
She's lost control again  
She's lost control
