

I got a ticket to ride  
I got a ticket to ride  
And I got you by my side  
And I got you by my side  
Wherever you wanna go  
Whatever you wanna do  
I got my arms open wide  
Keepin' something from you

I got a ticket to ride  
I got a ticket to ride  
And I got you by my side  
And I got you by my side oh

We got to move we got nothing to lose  
We got it better, we got it better  
We got it better, we got it better  
And it is true

Easy come and it's easy go  
I fell in love with the girl you know  
I fell in love with the girl you know

I got a ticket to ride  
I keep the demon inside  
And with a blink of an eye  
We're history 'n' goodbye  
We were fallin' behind  
And now we lettin' 'em leave  
When I got what she wants  
And she got what I need oh

We got it better, we got it better  
We got it better, we got it better  
And it is true

Got it better, we got it better  
We got it better, we got it better  
We got it better, we got it better  
And it is true

Easy come and it's easy go  
I fell in love with the girl you know  
I fell in love with the girl you know  
I fell in love with the girl you know
