Beatsteaks

We want to keep the river  
From runnin' dry  
We got to have it  
We won't deny  
We're gettin' high  
On own supply

You want to leave the addict  
High and dry  
You keep it tight  
We'll be alright  
We can't go wrong  
We keep on settling on

Don't give up  
Don't give up  
Don't give up, no  
Don't give up, now  
Don't give up

Some trouble is coming  
Some trouble might go  
Just a little consumption  
Whenever we're low

I kneel 'n all before you  
The world is yours  
I'm not the only vulnerably  
If I could only set somthing free

Don't give up  
Don't give up  
Don't give up, no  
Don't give up, now  
Don't give up

Some trouble is coming  
Some trouble might go  
Just a little consumption  
Whenever we're low, no

Just a little consumption  
Whenever we're low, no

What can I do for you? (Don't give up)  
What can I do for you? (Don't give up)  
What can I do for you?  
What can I do for you?

Some trouble is coming  
Some trouble might go  
Just a little consumption  
Whenever I'm low
