

## Doxology

## Beautiful Eulogy

Praise God from whom all blessings flow  
Praise Him all creatures here below  
Praise Him above ye heavenly hosts  
Praise Father, Son, and Holy Ghost

I will offer a sacrifice of praise, I know it's gonna cost me  
The cost is not greater than the cross where you bought me  
I was lost and you sought me, I was ignorant, you taught me  
I was impotent against my enemies, you fought for me  
I exist for your glory, never for mine  
I never would shine if it wasn't for your Spirit inside  
You made me alive when I was dead in trespasses  
The passion of Christ left my sin in the past tense  
Every good and perfect gift comes from your hand  
You set me back on course when I run from your plan  
No excuse to refuse to lift my voice  
Beause the gospel is true, there's always reason to rejoice  
And that don't mean that my sorrow is inconspicuous  
But when I grieve, I got a greater joy in the midst of it  
The joy of knowing I will see you face to face  
And it's all to the praise of your glorious grace

Praise God from whom all blessings flow  
Praise Him all creatures here below  
Praise Him above ye heavenly hosts  
Praise Father, Son, and Holy Ghost

Oh God full of glory and grace  
Open in me a fountain of faithful praise  
Let it flow from the depths of my heart like great lakes  
Let my soul be the sweetness that spreads its fragrance  
Save me from the love of the world that you created  
More than the God whose beautiful hands made it  
Break me from pride and consecrate me  
Make me feel the weight of my sin, sorrow and safety  
Let me sing with the saints of your great salvation  
And join in the songs of all creation  
Let the winds obey, the oceans wave, the mountains cave  
Let every star you placed display grace  
Let my speech do the same as the skies proclaim  
Let everything that has life and breath bless your name  
Let the earth be the stage where all creation aims  
To heaven in endless praises and adoration

Praise God from whom all blessings flow  
Praise Him all creatures here below  
Praise Him above ye heavenly hosts  
Praise Father, Son, and Holy Ghost
