

FIGHT MODE

Beauty School Dropout

So, you wanna go?
So, you wanna go?
So, you wanna go?

Fight mode, I been hanging on a tightrope
Fuck an opinion, yeah, I don't like those
Bangin' my head like I'm a psycho
Open that pit like it's a cyclone
Whole team went rags to riches
Godspeed but we ain't Christian
Hold up, did I mention?

Motherfucker, keep up
Motherfucker, keep up

Fight mode, I been hanging on a tightrope
Fuck an opinion, yeah, I don't like those
Bangin' my head like I'm a psycho
Open that pit like it's a cyclone
Whole team went rags to riches
Godspeed but we ain't Christian
Hold up, did I mention?

Motherfucker, keep up
Motherfucker, keep up

So, you wanna go?
So, you wanna go?
So, you wanna go? (Motherfucker, keep up)

Fight mode, I been hanging on a tightrope
Fuck an opinion, yeah, I don't like those
Bangin' my head like I'm a psycho
Open that pit like it's a cyclone (Motherfucker, keep up)

Motherfucker, keep up
Motherfucker, keep up
