

Love Said Not So

Bebe & Cece Winans

Life was bitter to the core
There was nothing to live for until love came
And even second times around happiness could not be found until love came

I was left all alone - My heart was breaking
Thought was my own - Soul was aching
Tears covered me - Weeping through the whole night
And I need some relief - Joy comes in the morning
I've been searching for - Many years now
The keys to life's door - I need to know how
Brought to my knees - Savior can you help me
And was led to believe - A failure I was to be

Well his love showed me, love said not so
Even with the odds against me
Love showed me, love said not so

Without a reason or cause peace and joy makes no pause
Until love came
Having no hope at all and not another one to call
Until love came

I was left all alone - My heart was breaking
Thought was my own - Soul was aching
Tears covered me - Weeping through the whole night
And I need some relief - Joy comes in the morning
I've been searching for - Many years now
The keys to life's door - I need to know how
Brought to my knees - Savior can you help me
And was led to believe - A failure I was to be

Well his love showed me, love said not so
Even with the odds against me
Love showed me, love said not so
Keep on holding on
Love showed me, love said no
Love told me don't let go
Love showed me, love said not so

Love
Love said not so

That's what he told me
He told me not so
Hey, I want to tell everybody
You are my love and my prize possession
Because of you I've got pride and joy
Can you help me brother

You are my love and my prize possession
(Love showed me)
Because of you I've got pride and joy
(Love said not so)
Oh can you say it again (Lord)

You are my love and my prize possession
(Love showed me)

Because of you I've got pride and joy
(Love said not so)
[repeat till end]

Tell the world it's love everlasting, hope
Everlasting, joy everlasting
I've got joy

You see I've got love everlasting, hope
Everlasting, joy everlasting
I've got joy
