Gonna Getch Ya!

Lately all my thoughts have been about you suga
You got a spell on me; I need to make a move!!!
Usually I sit back and enjoy the rush but
I'm like an addict. I can't get enough.

And when I see you, I wonder if you see me too.
And when you walk on by, you make me think of those crazy things...

Oh gonna getch ya, I I'm gonna getch ya, I I'm gonna getch ya,
I I'm gonna getch ya
Gonna getch ya, I I'm gonna getch ya, I I'm gonna getch ya, I I
'm
Oh! Boy I'm Gonna getch ya!.
Oh?

Even when I'm going home my mind is still on you boy
Your like my energy?..I'm always needing more of you.
So I've decided not to wait it out any longer.
Can't you feel the passion burning?! It's only getting stronger

And when I see you, I wonder if you see me too.
And when you walk on by, you make me think of those crazy things...

Oh gonna getch ya, I I'm gonna getch ya, I I'm gonna getch ya,
