

# Laughter

Bebe Winans

Understand why  
When life gets hard  
You start to cry  
Now you can dry all those tears  
That comes through fears  
With His supply

(Laughter does good, just like a medicine)  
(Just like a medicine)  
Oh, oh  
(Just like a medicine)  
Like a medicine, a medicine  
(Laughter does good, like a medicine)  
Yes it does  
Aww ya'll  
(Just like a medicine)  
Ooooo  
(Just like a medicine)

Now tomorrow may bring  
One or two things  
That you don't like, oh  
And if it does  
You can rise above  
And win the fight  
One way of winning is a laughter

(Laughter does good, just like a medicine)  
Does good  
Just like a medicine  
(Just like a medicine)  
Yeah, yeah  
Oh yeah  
(Just like a medicine)  
So keep on laughing  
(Laughter does good, like a medicine)  
(Just like a medicine)  
And it works ya'll  
(Just like a medicine)

So when they lie on you  
(Laugh about it)  
When they talk about you  
(Laugh about it)  
When they scandalize your name  
(Oh, laugh about it)  
That's when you take your  
(Take your medicine)  
Let it go down, let it go down  
(Laugh about it)  
Let it heal your broken heart  
(Laugh about it)  
Laughter will heal your broken heart  
(Oh, laugh about it)  
When you take your  
(Take your medicine)  
Now let me hear you laugh, say...

(Ha, ha, ha, ha)  
Oh, in the good times  
(Ha, ha, ha, ha)  
Mostly the bad times  
(Ha, ha, ha, ha)  
Let it go down  
(Just like a medicine)  
Oooo  
Let it go down  
(Ha, ha, ha, ha)  
Wipe your tears away  
(Ha, ha, ha, ha)  
Come on, wipe your tears away  
(Ha, ha, ha, ha)  
Let God wipe your tears away  
(Just like a medicine)  
Let it go down, let it go down  
  
(Laughter does good, just like a medicine)  
Said it does good, ya'll, good, ya'll  
Said it does good, ya'll  
(Just like a medicine)  
Oooo  
Like Pepto-bismol  
(Just like a medicine)  
Say it again, say it again  
  
(Laughter does good, just like a medicine)  
Soothing and healing  
Soothing and healing  
(Just like a medicine)  
Like a medicine  
(Just like a medicine)  
  
In the good times, bad times  
(Laughter does good, just like a medicine)  
(Just like a medicine)  
(Just like a medicine)  
(Laughter does good, like a medicine)  
(Just like a medicine)  
(Just like a medicine)  
Say it one more time  
  
(Laughter does good, just like a medicine)  
(Just like a medicine)  
Oh, just like a medicine...
