

# Love's Coming

Bebe Winans

Two things you promised me  
The world and ecstasy  
But all you've given are material things  
When what I'm looking for  
Sums up to so much more  
And if nothing less I'm sure not settling  
I lay awake in bed  
Wonder what lies ahead  
And in tomorrow said  
What will it bring  
No more concern myself  
About this commons wealth  
My futures on the shelf and I still believe

[Chorus]

I'm waiting  
Waiting is easy  
Cause I know, love's coming and make it alright.  
Can't worry, don't see the need to,  
Cause I know love's coming and make it alright.

It's not a game I play  
When asked if I'm o.k.,  
I've learned to smile and say  
Everythings fine.

I made my heart decide  
O yes I will survive,  
It's time to come alive  
My turn to shine

My course about to change,  
It feels a little strange,  
Leaving behind the pain,  
I've known all my life,

Ooh it's time to soar above,  
I know that it must be love,  
You are the meaning of and wont say good-bye,  
Good-bye.

[Repeat Chorus]

[Bridge]

Only thing I need to know,  
Is that I'll never let you go,  
I've waited patiently,  
And now you're standing here,  
Next to me

[Repeat Chorus]
