

# Love Thang

Bebe Winans

As the night moves on  
The days go by I am counting  
Anxiously awaiting  
The perfect arrival of you  
Wonder how I'm gonna feel  
When I first look in your eyes  
With the beauty of love in my life  
With one look come true

Said, ooh, oh, yes  
It's a love thang  
It's a love thang, a love thang  
Written in my heart and love of my soul  
It's a love thang  
It's a love thang, a love thang  
Said, ooh, oh, yes

I remember the time and the place  
When I first heard the Good News  
From that moment on  
I've started to live for you  
It's amazing how now  
In the prime of my life, I'm still learning  
How love can bring life  
How your life changed my point of view

Said, ooh, oh, yeah, ooh...  
It's a love thang, it's a love thang  
It's a love thang, it's a love thang  
A love thang, yeah, yeah, yeah  
Written in my heart and love of my soul  
Yeah, it's a love thang, it's a love thang  
It's a love thang, it's a love thang  
A long thang, yes, it is  
Ooh, oh, yeah

You have given me love  
And the meaning of life a new meaning  
Rather a girl of a boy can relate  
'Cause the joy that I'm feeling  
I would promise to be  
All that you'll ever need, you can count on  
And when all of us leave  
There is one guarantee to depend on

Said, ooh, oh, yeah, ooh...  
It's a love thang, it's a love thang  
It's a love thang, it's a love thang  
A love thang, yes, it is  
Written in my heart and love of my soul  
It's a love thang, she's a love thang  
It's a love thang, she's a beautiful love thang  
A long thang, yes, she is  
Ooh, oh, yeah

It's a love thang, she's a miracle  
It's a love thang, the girl's a miracle

A love thang, yes, she is  
Written in my heart  
It's a love thang, I love her  
It's a love thang, oh, yes, I love her  
A long thang, and I need her  
Oh, yes, oh, yea

It's a love thang, your smile  
It's a love thang, oh, your great  
A love thang, yes  
It's written in my heart and love of my soul  
Yeah, it's a love thang, beautiful love thang  
It's a love thang, beautiful love thang  
A long thang...
