

## All in One

**Bebel Gilberto**

You, beyond my dreams And everything above Among the stars and  
love You shine brighter than all My all in one

And for you, I count the hours, seconds and heartbeats Because  
I know I want to spend the rest of my life Only with you

Love, kisses, synchronicity, timeless and gaps You are the one  
You are my only one

And for you, I will write endless melodies of love Because I ne  
ed someone to harmonize with me My all in one

Time, age, sinchronicity, Missed places, words will never ever  
Take your place In my mind, in my life My only one

Love, kisses, synchronicity, timeless, and gaps You are the one  
You are my only one

You, beyond the dreams And everything above Among the stars I l  
ove I love only you My all in one My all in one You are my only  
one You are my all in one
