

# Batucada

**Bebel Gilberto**

Batucada is free It's the future in me And the rhythm you hear  
Will make you dance

Batucada is strong And it won't make you wrong Till you're lost  
in the song And in the dance

Tonight I'm gonna sing and dance Be wild and free And light a c  
andle For the goddess of the sea

Batucada is on Batucada come on Watch the dance and the down Fa  
ll in the sea

Batucada, batucada... Batucada, batucada...

Tonight I'm gonna sing and dance Be wild and free And light a c  
andle For the goddess of the sea

Batucada is on Batucada come on Watch the dance and the down Fa  
ll in the sea

Batucada, batucada... Batucada, batucada...

A Batucada vem surgindo E vem com o vento, ficou

Batucada, batucada... Batucada, batucada...
