

## Every Day You've Been Away

Bebel Gilberto

(Written by Pedro Baby, Daniel Jobim)

So you've been gone  
And I am alone  
I miss you so  
I miss you  
And if you knew what I've been through  
I love you so  
I love you  
Every moment  
Every night away (from you)  
Every day you've been away  
Every day you've been away from me  
So you've been gone  
And I am alone  
I love you so  
I love you  
And if you knew what I've been through  
I miss you so  
I miss you  
Every moment  
Every night away (from you)  
Every day you've been away  
Every day you've been away from me  
From me...
