

## My Eyes Have Seen Holy

Bebo Norman

Am I unfit for You  
Remember me, the one who turned from You  
I come in rags tattered by the fall  
And all the earth, a witness to my crime

Mercy, weep over me  
Let Your tears wash me clean  
Majesty, be merciful with me  
For my eyes have seen Holy

Hear my prayer at night  
Let the morning find me alive  
For I am tired and weakend by the fall

Let all the earth bear witness to my cry  
Let the Amen sound from Heaven as You lift my soul  
Let the Amen sound from Heaven as You lift my soul  
Let the Angels sound from Heaven, Holy is the Lord
