

Bad Energy

Beck

Talkin' a lotta shit
Got a lotta shit on my mind
Got some bad feelings on me

Fast, fast people comin' to my house
Tellin' me things that I already know
Some bad shit
Don't wanna touch it
It's like a big empty city full of toasters
Bad energy

Hey, I know who you are
But you don't know me
Yea, yea, yea, I know that

I know that guy, man
That's the guy, man
I know that guy. yeah, [unverified]

You comin' to me man
You talkin' to me man?
I make a problem for you, my friend
I know man
Make a problem very quick
Very quick
