

Die Waiting

Beck

When the sky fades out and the roads all end
I'm gonna wait on you, gonna wait on you
When the money runs out and the walls close in
I'm gonna wait on you, gonna wait on you

I don't care what I have to do
Know that I'm gonna wait on you
I don't care what I have to do
Know that I'm gonna wait on you

Coming off the feeling
Got my body reeling
Really coming off the ceiling
All my memories got me kneeling
Almost got a real thing
Almost got a new leaf
Darker than you ever knew it
Something that you're going through it

I don't care what I have to do
Know that I'm gonna wait on you
I don't care what I have to do
Know that I'm gonna wait on you

Yea oh yea oh

When the sky fades out and the roads all end
I'm gonna wait on you, gonna wait on you
When the money runs out and the walls close in
I'm gonna wait on you

I can't understand why I've waited for so long
Just to walk out of the door, see the world moving on
And I lay down in the sun with the moonlight in my eyes
If it takes a lifetime, then you know I got time

I don't care what I have to do
Know that I'm gonna wait on you
I don't care what I have to do
Know that I'm gonna wait on you
I don't care what I have to do
Know that I'm gonna wait on you
I don't care what I have to do
Know that I'm gonna wait on you
