

Feelings

Beck

I have so many feelings
And I know that I'm dealing
I'm dealing with all these feelings
Feelings
Oh, feelings!
Lord I have so many feelings
And I know that I'm dealing
I'm dealing with all these feelings
I'm feeling all of these feelings
Lord I know that I'm healing
I'm trying to feel all of my feelings
Feelings that make me feel
That there's something more to be real
Lord I'm dealing with these feelings
Feelings
Feelings
Feelings
Oh no no
All of these feelings
When everything is turning
Turning into my feelings
And I know that something is feeling
All of my feelings
