

## Modern Guilt

Beck

I feel uptight when I walk in the city  
I feel so cold when I'm at home  
Feels like everything's starting to hit me  
I lost my bearings ten minutes ago

Modern guilt, I'm stranded with nothing  
Modern guilt, I'm under lock and key  
Misapprehension  
Is turning into convention  
Don't know what I've done but I feel ashamed

Standing outside the glass on the sidewalk  
These people talk about impossible things  
And I'm falling out of the conversation  
And I'm a pawn piece in a human shield

Modern guilt is all in our hands  
Modern guilt won't get me to bed  
Say what you will  
Smoke your last cigarette  
Don't know what I've done but I feel afraid
