

# Dance With The King

Beckah Shae

Come! Come in!  
You're invited into this room to dance  
The King has prepared all this for you  
He's been waiting for you  
Won't you come?

Can you feel His love around you?  
His arms stretched out and reaching for you?  
There's only peace in this place  
Listen close, you'll hear the sweet sounds  
Of heavens angels singing all around  
Welcoming you to this dance  
Hallelujah  
You have ravished my heart  
Round and round we go  
To the sould of Oh,  
Hallelujah!

Come! Come in!  
You're invited into this room to dance  
The King has prepared all this for you  
He's been waiting for you  
Won't you come?

Peace that's surpassing all understanding  
Joy unspeakable, and love everlasting!  
This is where you belong  
Right here close to His heart!

Come! Come in!  
You're invited into this room to dance  
The King has prepared all this for you  
He's been waiting for you  
Won't you come?
