

Indescribable

Beckah Shae

I see You in the rain, like crystal glistening
I see You in the Son, like a fire blazing
I look up into the sky at night and see Your Glory
I'm humbled by a newborn babies cry
So pure, You are Holy!

There's no other way to better say
Halleluiah! You're Indescribable
Heaven and earth proclaim the glory of Your name,
Halleluiah! You are so wonderful
Master, Creator, God
Halleluiah! Your indescribable
Awestruck by who You are
Halleluiah! You are so wonderful

I see You in the ocean
Your love is overflowing
I see You in the trees
Dancing to the wind's melody
I look up to the mountains
Where the rocks cry
And I see Your face
I'm taken by a rainbow in the sky
Cause it reminds me that I am safe

There's no other way to better say
Halleluiah! You're Indescribable
Heaven and earth proclaim the glory of Your name,
Halleluiah! You are so wonderful
Master, Creator, God
Halleluiah! Your indescribable
Awestruck by who You are
Halleluiah! You are so wonderful

All heaven and earth
Declare Your glory everywhere
Baruch shem kivod leolam va'ed
(Blessed be His glorious majesty
Forever and ever)
None could compare

All creation cries out Your name
For You worthy of all praise
Barukh attah adonai
Melekh m'hulal batishbachot.
(Blessed are You, Lord
A King to be praised in adoration.)
You're amazing

There's no other way to better say
Halleluiah! You're Indescribable
Heaven and earth proclaim the glory of Your name,
Halleluiah! You are so wonderful
Master, Creator, God
Halleluiah! Your indescribable
Awestruck by who You are
Halleluiah! You are so wonderful

There's no other way to better say
Halleluiah! You're Indescribable
Heaven and earth proclaim the glory of Your name,
Halleluiah! You are so wonderful
Master, Creator, God
Halleluiah! Your indescribable
Awestruck by who You are
Halleluiah! You are so wonderful
