

Most Beautiful Time Of The Year

Beckah Shae

All around the world
Everybody's celebrating the life
The One and Only King of Kings
Who came to bring us everlasting life

Faith, hope and love are all words we hear
This time more than any other time of year
Oh, peace and joy, just to name a couple more
And friends and family all seem to gather near

This is the reason why, this is my favorite time
Angels on display and radios are playing
"Praises to Emmanuel", "O Holy Night" and "First Noel"
Christ is reigning and hearts are changing

This is the most beautiful time of the year
Not just 'cause the snow is falling, oh
Smiles, laughter, joy, good tidings and cheer
Not just 'cause your friends are calling, oh

And even though every day I celebrate
The reason for Christmas I still
Just can't help myself from loving this
Most beautiful time of the year

All around the world
Everybody's celebrating a love
The One and Only Prince of Peace
Who came and gave us more than enough

Compassion and giving are things we see
This time more than any other time of year
Oh, gifts and charity for those in need
And church bells ring to come and hear the choirs sing

This is the reason why, this is my favorite time
Angels on display and radios are playing
"Praises to Emmanuel", "O Holy Night" and "First Noel"
Christ is reigning and hearts are changing

This is the most beautiful time of the year
Not just 'cause the snow is falling, oh
Smiles, laughter, joy, good tidings and cheer
Not just 'cause your friends are calling, oh

And even though every day I celebrate
The reason for Christmas I still
Just can't help myself from loving this
Most beautiful time of the year

Just gotta admit, this is the most beautiful time of the year
Not just 'cause the snow is falling, oh
Smiles, laughter, joy, good tidings and cheer
Not just 'cause your friends are calling, oh

And even though every day I celebrate
The reason for Christmas I still

Just can't help myself from loving this
Most beautiful time of the year
