Beckah Shae

Wonderful, One of a kind
You take my breath away and I marvel at the beauty of you
Apple of my eye, Its in you that I delight
I've given you each day and forever I am yours and you mine
I've given you my mind
Given you my heart
Given you my life
And I've given you my spirit
Given you all you need to be
Unique
And
There's never been anyone like you
(Unique, Unique)
No one will ever love you like I do
(Like I do)
I made you with my own hands, I made you with a plan
And there will never be another one like you
Glorious, You came from dust
I had a purpose for you before I breathed life into your soul
Perfect design, Created to shine
Astrologically made you differently to do what you do
I've given you my mind
Given you my heart
Given you my life
And I've given you my spirit
Given you all you need to be
Unique
And
There's never been anyone like you
(Unique, Unique)
No one will ever love you like I do
(Like I do)
I made you with my own hands, I made you with a plan
And there will never be another one like you
No one else has seen the things you seen the way you see
No one else has gone where you have gone the way you've gone
No one else can do the things you do the way you do
Cause there is no one like you
There's never been anyone like you
(Unique, Unique)
No one will ever love you like I do
(I do, I do)
I made you with my own hands, I made you with a plan
and there will never be another one like you
(unique)
There's never been anyone like you
(Unique, Unique)
No one will ever love you like I do
(Like I do)
I made you with my own hands, I made you with a plan
And there will never be another one like you
