

Vision

Beckah Shae

Give me your, give me your vision, cause I wanna see where you are and where I'm going.

Give me more, give me more revelation, cause I wanna understand why ain't help still loving

Though the times are keep on changing you stay the same through out the ages and I see, I see a love is fading fast. And I know You will last

Vision is always (is always) the reason why I can move

(Give) Give me your eyes so that I can see why I need nothing but You

Hold me up(hold me up) while my tears fall

Cause I'm weaker than I thought and I know You're strong

Tak me far(take me far) to the future. So my wounded heart could see beyond and listen to your voice.

Though the times are keep on changing you stay the same through out the ages and I see, see a love is just fading fast. And I know You will last

Vision is always (is always) the reason why I can move

(Give) Give me your eyes so that I can see why I need nothing but You

With the Word you change my heart and my mind

And with your love I'm no longer blind and I will forever seek your truth. Cause you're the reason why

Vision is always (is always) the reason why I can move

(Give) Give me your eyes so that I can see why I need nothing but You
