

Your Kingdom Come

Beckah Shae

Your kingdom come
Your kingdom come, Your will be done
I set my eyes on You first
And only for what I need, I ask of You
And as the day comes
I pray something new
Would have its way here
As I'm waiting for You
Yeah, I know this ain't my home
And I know it'll all be gone before too long
While the battle's almost done
You just keep bringing us all together till we're one, till we'
re one, yeah
Your kingdom come, Your will be done
Your kingdom come, Your will be done
Your kingdom come, Your will be done
Your kingdom come, Your will be done
You heal the sick and bring us all peace
You set the captives free
And through Your tears and Your blood I can see
That nothing here but You helps me breathe
Help me breathe
Yeah, I know this ain't my home
And I know it'll all be gone before too long
While the battle's almost done
You just keep bringing us all together till we're one, till we'
re one, yeah
Your kingdom come, Your will be done
Your kingdom come, Your will be done
Your kingdom come, Your will be done
Your kingdom come, Your will be done
On earth as it is in Heaven
Empower us while we're living
On earth as it is in Heaven
Yeah receive us into Your presence
Your kingdom come, Your will be done
Your kingdom come, Your will be done
Your kingdom come, Your will be done
Your kingdom come, Your will be done
