

# Green Light Go

Becky G

Red light, green light, 1-2-3  
Try your best, can't fuck with me  
Red light, green light, 1-2-3  
Try your best, keep up with me

OK, nobody stop me, I'm on my green light go  
Everything I do is big, I'm on my 'fee-fi-fo'  
I came up from out the dirt, I'm like a concrete rose  
If I ever fall, I'm landin' on my Gucci soles

I got my foot on the gas  
I'm Usain Bolt on the dash  
That lil' bum kinda fat  
Racin' and chasin' the cash

Ain't no one catchin' up with me  
If you gon' blink, you gon' miss me  
Why can nobody stop me?  
I'm on my green light go

10 mill' on my social  
I can't be antisocial  
It's viral once I post it  
Little girls got my posters

I do a buck in the Rover  
I'm never stuck on the shoulder  
Nobody pullin' me over  
'Nah,' like a no limit soldier  
(no limit!)

Head down, let me free my mind  
Lil' bitch, don't try kill my vibe  
LAX where we fly high  
I'll see you on the other side

OK, nobody stop me, I'm on my green light go  
Everything I do is big, I'm on my 'fee-fi-fo'  
I came up from out the dirt, I'm like a concrete rose  
If I ever fall, I'm landin' on my Gucci soles

I got my foot on the gas  
I'm Usain Bolt on the dash  
That lil' bum kinda fat  
Racin' and chasin' the cash

Ain't no one catchin' up with me  
If you gon' blink, you gon' miss me  
Why can nobody stop me?  
I'm on my green light go

I spent all my life on the life lines on it  
That's how bad I want, that's how bad I want it  
(got it all)  
So I been on my green light go  
I've been unstoppable  
I've been on that 'vamanos'

I've been on that Inglewood

I'm 'a be misunderstood  
I'm so far from Hollywood  
Hustlin' tryna make a juug  
Yeah, I gotta get it though

I look like a centerfold  
Good for you like vegetables  
Wanna try my edibles?  
If you can, I'll let you know

La cabra, they call me the GOAT  
On my mama, I will never fold  
Just in case you didn't know  
I do this shit for México

OK, nobody stop me, I'm on my green light go  
Everything I do is big, I'm on my 'fee-fi-fo'  
I came up from out the dirt, I'm like a concrete rose  
If I ever fall, I'm landin' on my Gucci soles

I got my foot on the gas  
I'm Usain Bolt on the dash  
That lil' bum kinda fat  
Racin' and chasin' the cash

Ain't no one catchin' up with me  
If you gon' blink, you gon' miss me  
Why can nobody stop me?  
I'm on my green light go

Red light, green light, 1-2-3  
Try your best, can't fuck with me  
Red light, green light, 1-2-3  
Try your best, keep up with me
