

## Left Swipe Dat

Becky G

This must be some kinda joke  
If you think you're my type (not my type)  
Poof you're gone in a cloud of smoke  
I just left swipe  
Bye bye  
I just left swipe

Left swipe dat!  
Gotta gotta gotta swipe it left  
Yeah!  
Gotta gotta gotta swipe it left  
Left swipe dat!  
Gotta gotta gotta swipe it left  
That's that stuff I don't like so I gotta  
Left swipe dat!

Look at you, with your shirt off flexin'  
You're buff but you puff hashtag perplexing  
Yeah, you work out, you're in shape okay  
I like the six pack abs, but not the six packs a day

Came across this photo of this green-eyed hottie  
Whole nine, pretty face, tight waist, nice body  
But I couldn't overlook one small fact:  
She smokes like an old man at a race track

This must be some kinda joke  
If you think you're my type (not my type)  
Poof you're gone in a cloud of smoke  
I just left swipe  
Bye bye  
I just left swipe

Left swipe dat!  
Gotta gotta gotta swipe it left  
Yeah!  
Gotta gotta gotta swipe it left  
Left swipe dat!  
Gotta gotta gotta swipe it left  
That's that stuff I don't like so I gotta  
Left swipe dat!

Mr World Traveler, your trips look expensive  
Sittin' on a mountain top lookin' all pensive  
I was just about to ask, how's the air up there?  
But based on this pic, guess you don't really care

Lots a chicks in the pic, not sure which one's you  
Them cigarettes take y'all from 10s to 2s  
And one thing's true 'bout your whole crew  
None of you cigarellas gonna be my boo

Smoking with a tiger?  
Left swipe dat!  
While you're on a hang-glider?  
Left swipe dat!  
Smoking while acting healthy?

Left swipe dat!  
Smoking all stealthy?  
Left swipe dat!  
Smoking with a duckface?  
Left swipe dat!  
At a monster truck race?  
Left swipe dat!  
Smoking at the prom?  
Left swipe dat!  
Even in a photobomb?  
He don't care!

Left swipe dat!  
Gotta gotta gotta swipe it left  
Yeah!  
Gotta gotta gotta swipe it left  
Left swipe dat!  
Gotta gotta gotta swipe it left  
That's that stuff I don't like so I gotta  
Left swipe dat!
