

## Secrets

Becky G

I could tell you're keeping secrets from me  
Why you always keeping secrets from me?  
I know that you got some secrets  
Don't know how long you could keep it  
Why you tryna hide these secrets from me?

But what's in the dark, it gotta come to the light  
Skeletons come out your closet at night  
Give me a truth or you give me a lie  
Let me decide  
Why you tryna hide these secrets from me? Why? (Why?)

Loved you  
With all my  
You were my  
Main guy  
We were so  
The west side  
We were ride  
Or die

Nobody could take us apart like  
Oh god, yeah, you my heart right  
Never thought that we could fall out like this

You ain't got to lie to me  
Lie to me, lie to me  
You making it hard to be  
Hard to be  
Tears ain't in my eyes  
So the song's gotta cry for me  
You thought that I couldn't see

I could tell you're keeping secrets from me  
Why you always keep them secrets from me?  
I know that you got some secrets  
Don't know how long you could keep it  
Why you tryna hide these secrets from me?

But what's in the dark, it gotta come to the light  
Skeletons come out your closet at night  
Give me a truth or you give me a lie  
Let me decide  
Why you tryna keep them secrets from me? Why? (Why?)

You were my lighthouse  
Guide me home whenever the light's out  
Who do I run to and call now?  
Can't believe you would let me down  
We were supposed to go, do you see now?  
You would be the one I would lean on  
I don't even know what to believe now

You ain't got to lie to me  
Lie to me, lie to me  
You making it hard to be  
Hard to be

Tears ain't in my eyes  
So the song's gotta cry for me  
You thought that I couldn't see

I could tell you're keeping secrets from me  
Why you always keep them secrets from me?  
I know that you got some secrets  
Don't know how long you could keep it  
Why you tryna hide these secrets from me?

But what's in the dark, it gotta come to the light  
Skeletons come out your closet at night  
Give me a truth or you give me a lie  
Let me decide  
Why you tryna keep them secrets from me? Why? (Why?)

I could tell you're keeping secrets from me  
Why you tryna hide these secrets from me?  
I know that you got some secrets  
Don't know how long you could keep it  
Why you tryna hide these secrets from me?
