We just riding we rolling you know how we cruise
And when this come on yeah you know how we do

You wanna hear something to make you wild and crazy Heat the block up like toasters
Everytime you chillin and you with ya homies
You need a little something for the turn up

You should turn this up on ya radio
Play it in the club
Keep it on replay
Show me some love
Over and over again
Make it ya song
Party to this one until the morn'
Cause I know I know I know you love it
