Back & Forth

Becky Hill

It's the same old story in this tug-of-war
(We go back and forth)
(We go back and forth)
And it ain't good for me, what we do this for
(We go back and forth)
(Won't do this no)

(More) More
(We go back and forth)
(We go back and forth)
Oh
(We go back and forth)
(Won't do this no)

All, all we
All, all, all, always
Never tell if
All, all we
All, all, all, always
Never tell if
All, all we
All, all, all, always
Never tell if
All, all we
All, all, all, always
Never tell if

You're only nice when you wanna be
You always leave me wonderin', wonderin'
It's not as simple as you-and-me
Can never tell if I'm in love with him or lost with him

Tryna find an in-between
It's all, it's all or nothin'
You pull me back when you feel me slip away
Deceive me with your lovin'

It's the same old story in this tug-of-war
(We go back and forth)
(We go back and forth)
And it ain't good for me, what we do this for
(We go back and forth)
(Won't do this no)

(More) More
(We go back and forth)
(We go back and forth)
Oh
(We go back and forth)
(Won't do this no)

All, all we
All, all, all, always
Never tell if
All, all we
All, all, all, always
Never tell if
All, all we
All, all, all, always
Never tell if
All, all we
All, all, all, always
Never tell if

With you there's no reasonin'
I'm done with fighting all the time, all the time
I'm tryna speak, you're not listenin'
Closed ears with open eyes, broken minds

Tryna find an in-between
It's all, it's all or nothin', oh
You pull me back when you feel me slip away
Deceive me with you lovin'

It's the same old story in this tug-of-war
(We go back and forth)
(We go back and forth)
It ain't good for me, what we do this for
(We go back and forth)
(Won't do this no)

(More) All, all we
All, all, all, always
Never tell if
All, all we
All, all, all, always
Never tell if
All, all we
All, all, all, always
Never tell if
All, all we
All, all, all, always
Never tell if
All, all we
