

# Last Time

Becky Hill

Baby, now you're back again  
Back into my life  
Hit a lot of turbulence, you know  
One too many arguments  
I have to let go, forgive you, I know  
You say you wanna try  
And I see you change before my eyes into somebody new  
So, no empty promises  
I need to know it's worth it if I'm gonna go there with you

This is the last time, now you're mine  
The last time falling in love  
After the last fight, I realised  
I'm not giving you up  
The first time we broke, you left in the night  
This time, we're getting it right  
This is the last time, now you're mine  
The last time falling in love (In love, in love)

The last time falling in love

You know it's been hard for me  
I still got my fears  
Couple insecurities, deep down  
But I'ma give you all of me  
Give you my best, all this beautiful mess

This is the last time, now you're mine  
The last time falling in love  
After the last fight, I realised  
I'm not giving you up  
The first time we broke, you left in the night  
This time, we're getting it right  
This is the last time, now you're mine  
The last time falling in love (In love, in love)

The last time falling in love

No more tears up in my eyes  
Wondering where you were last night  
No more stressing 'bout who's on your mind  
Said we'd give it one last try  
Try to stay for life, for life

This is the last time, now you're mine  
The last time falling in love  
After the last fight, I realised  
I'm not giving you up  
The first time we broke, you left in the night  
This time, we're getting it right  
This is the last time, now you're mine  
The last time falling in love (In love, in love)
