

## Feels Nice

Beddy Rays

I feel so weak today it hurts my brain  
I told you everything I have to say

And it feels so nice  
Hanging out to dry  
And the things you hide  
Are playing on my mind

I found some photographs from times before  
I've got them scattered out over the floor

And it feels so nice  
Hanging out to dry  
And the things you hide  
Are playing on my mind  
And it feels so nice  
Hanging out to dry  
And the things you hide  
Are playing on my mind

And it feels so nice  
Hanging out to dry  
And the things you hide  
Are playing on my mind  
And it feels so nice  
Hanging out to dry  
And the things you hide  
Are playing on my mind
