

Hold On

Beddy Rays

I feel lately
Everybody but my demons hate me
Fucked up and deprecated
Engine ain't starting
I'm turning over but I keep on stalling

Hold on
The best is yet to come (The best is yet to come)
Take only what you need
And don't hurt the hand that feeds you
Hold on
Hold on

I've been lazy
Everything feels like a bad dream daily
Tied up and tired of waiting
Engine ain't starting
I'm turning over but I keep on stalling

Hold on
The best is yet to come (The best is yet to come)
Take only what you need
And don't hurt the hand that feeds you
Hold on
The worst will come undone (The worst will come undone)
Take only what you need
Don't hurt the hand that feeds you
Hold on
Hold on

Just as your [?] back again

Just as your [?] back again
No, you are not my friend this time

I'll take the sign

Hold on
The best is yet to come
Take only what you need
And don't hurt the hand that feeds you
Hold on
The worst will come undone (The worst will come undone)
Take only what you need
Don't hurt the hand that feeds you
Hold on
Hold on
Hold on
Hold on
Hold on
Hold on
