

# On My Own

Beddy Rays

Wait up  
I think I don't know where I am  
That's okay 'cause I'll just keep walking  
Straight up  
Think I forgot where I began  
It's okay 'cause I'll just keep talking

My way out of things  
Usually good for me  
It's adding up  
Guess it'll take a little more to get used to

When I walk out the house and forget something  
Calling you up just to talk about nothing  
I'm not right but I feel right at home  
Since I've been on my own  
On my own  
I've been on my own  
On my own

Shake up  
A little something in my day  
Just so things don't get so boring  
Wake up  
Maybe I'll hit the snooze again  
It's okay 'cause I'll just keep snoring

My way through the day  
Never been good for me  
It's adding up  
Guess it'll take a little more to get used to

When I walk out the house and forget something  
Calling you up just to talk about nothing  
I'm not right but feel right at home  
Since I've been on my own  
On my own  
I've been on my own  
On my own  
(Right at home)

When I walk out the house and forget something  
Calling you up just to talk about nothing  
I'm not right but I feel right at home  
Since I've been on my own  
On my own  
I've been on my own  
On my own  
I've been on my own  
On my own  
I've been on my own  
On my own
