

# Sobercoaster

Beddy Rays

Well, hair of the dog, ayy  
A bunch of dogs, I say  
Friends are never done  
Until the fat lady has sung  
What do you mean, save?  
I'm spending all my pay  
On weekends with my best friends  
Tell my mum that I'm okay

I wanna spend my lifetime  
Drinking beers in sunshine  
On an ocean hillside  
And when I'm old, I'll be a sobercoaster

And it's getting rough, ayy  
Bones of the arse, they say  
Friends will help you out  
As long as you reciprocate  
I found my feet today  
Won't let 'em walk away  
It all comes around  
As long as you give more than you can take

I wanna spend my lifetime  
Drinking beers in sunshine  
On an ocean hillside  
And when I'm old, I'll be a sobercoaster

I wanna spend my lifetime  
Drinking beers in sunshine  
On an ocean hillside  
And when I'm old, I'll be a sobercoaster
