

1259 Lullaby

Bedouin Soundclash

it's silent in the early morning the only sound is my breathing
as i lay awake not knowing where it will be i'm going.
but i know, time moves slow at 12:59, i sing lullaby
and if you want me to sing you a song, i know that theres a 12:
59 lullaby tonight.

i'll see the next hour through, it falls to the next so soon.
while my guitar waits for a tune, where have the songs played g
one to

and i know, time moves slow at 12:59 i sing lullabies
and if you want me to sing you a song, i know that there's a 12
:59 lullaby tonight

and if you want me to sing you a song, i know that there's a 12
:59 lullaby tonight..
